EDWARDS WINS.

John Feland Defeated in Senatorial Race.

The Democratic Candidate Has Nine Majority in Both Counties.

John Feland, the Republican nominee for Senator, although his majority in Christian is one of the largest on the ticket, is defeated by nine votes.

He has 443 majority in Christian, but Rev. D. S. Edwards in Hopkins has 452 and while Feland is still hoping that the official count-day may change the result, the chances are all in Edward's favor. Irregularities have been discovered in two of the largest Republican precincts in this county.

At Gordonsfield the polls were not opened until three hours after the hour fixed by law and were closed one hour at noon, making the election six instead of ten hours.

At Hopkinsville No. 2 when it became evident that many Republicans who had not "been seen" until late would be shut out, an attempt was made to run with two clerks, but after a number of votes had been polled the protests of the Democrats stopped this unlawful proceeding. Gordonsfield gave Feland 55 and No. 2 gave him 137 majority.

The Hopkins Majority, Madisonville, Nov. 7.—The vote in this county is 3,312 for Edwards and 2,874 for Feland with 14 disputed ballots at Nebo not included in the Edwards vote. Without these votes Edward's majority is 438 and with them 452. The correction of the error will give Edwards these votes, to which he is entitled. The Democratic county ticket has majorities ranging from 300 to 600. The Democrats also carried Madisonville in the city election.

UNION SERVICES

Will Be Held By Dr. Broughton Sunday at the Tabernacle.

The Baptist Revival is now under full headway and large crowds are present at every service.

Dr. L. G. Broughton's discourses are uniformly able and instructive. He is one of the leading pulpit orators of the South and never fails to interest his congregations. There will be two union services at the Tabernacle Sunday, at which Dr. Broughton will discourse the "Awfulness of Sin." These will be at 3 p. m. and 7:30 p. m.

Mr. Tilman, the celebrated song leader, is with Dr. Broughton, and conducts the music at all of the services.

ANOTHER FEVER VICTIM.

Mrs. George Embry Succumbs After Long Illness.

The wife of Mr. George W. Embry, of the Howell neighborhood, died at an early hour last Sunday morning after an illness of several weeks of typhoid fever. Mrs. Embry was about 50 years old and a lady held in the highest esteem by a host of friends. She was a sister of Dr. W. M. Fugue of this city, and is survived by a husband and five children—two daughters and three sons.

Services were conducted Monday afternoon by Rev. W. H. Vaughan and the interment took place in the Fox burying ground near Howell.

FARMERS' UNION FORMED

In Robertson County, Tenn., for Protection Against Low Prices.

The farmers of Robertson county, Tenn., have formed a union, which will be known as the Farmers' Tobacco Union, the object of which is to agree upon plans for the mutual protection of the members against low prices for their tobacco crop.

SIX DEMOCRATS

Elected on The Council By Big Majorities.

City Goes Democratic on Popular Vote For The First Time In Years.

The Hopkinsville Democrats made a great fight Tuesday and carried the city by majorities ranging from 30 to Edwards to 105 for Bassett. They overcame a Republican majority of 301 to do this.

All the six Democratic candidates for councilmen were elected, those having opposition by majorities ranging from 33 to 36.

The new council will be composed of the following members:

DEMOCRATIC.

FIRST WARD—Lloyd W. Whitlow.

SECOND WARD—John B. Galbreath.

THIRD WARD—James W. Estes.

FOURTH WARD—Lucian H. Davis.

SIXTH WARD—J. B. Jackson.

SEVENTH WARD—J. Guy Duncan.

REPUBLICAN.

FIFTH WARD—E. W. Glass, col.

There were contests in the Third, Fourth and Seventh wards.

AFTER MANY MONTHS

Of Suffering Death Came as a Relief.

Mrs. Anna Bronaugh, wife of Mr. W. T. Bronaugh, of the Casky neighborhood, died yesterday morning, after an illness of about two years, during which time she was a great sufferer. Besides a husband she is survived by two grown sons. Mrs. Bronaugh was a sister of Mr. Charles Hopson and Mrs. Harriet Reynolds, both of the Sinking Fork neighborhood. She had been a member of the Methodist church for a number of years and was a lady who enjoyed the esteem of a large circle of friends. The interment will take place at 10 o'clock to day in Hopewell cemetery. Services will be conducted at the grave.

GOSPEL CORNET TALK

This Afternoon by Rev. Birch at the First Presbyterian Church.

Rev. Chester Birch will close his meeting at the First Presbyterian church next Monday night. The attendance continues very large at all of the services.

Mr. Birch gave another of his Gospel Cornet talks yesterday afternoon and will give one more this afternoon at 3:30 o'clock, which will be followed by the usual services at 7:30 p. m.

DIED IN CAMP.

Consumptive Entombed South Succumbs Before Reaching Destination.

A moyer named Whipple, aged about 45 years, died in camp near the city Tuesday of consumption. He was a native of Indiana to Tennessee and camped with his family Monday night. The next morning he became much worse and expired in a few hours. The remains were interred here. After some financial aid from the county his family resumed their journey.

SPARKS FROM CHIMNEY

Cause Small Blaze in City On Election Day.

A kitchen on the Gish property occupied by a colored family caught on fire about noon Tuesday. The fire department was on hand in a few minutes and the flames were extinguished without trouble. The damage intended to but little.

NOVEMBER 8, 1901—

Nebraska and Ohio increased
their Republican majorities.Maryland went Democratic and
the legislature will return Gorman
to the Senate to succeed a Republi-
can. Seth Low, the Fusion candidate
for Mayor of New York, and
Edward M. Shepard, Tammany
Democrat, by 29,864 majority.Li Hung Chang, the great Chinese
statesman, one of the richest men in
the world, died at Pekin Wednesday
of chronic gastritis. Kentucky did not do things by
halves this time. The Legislature
will be Democratic by a majority
twice as large as the Republican
vote on joint ballot. Owensboro went Republican in
the mayor's race, Marion Jewell
defeating Thos. S. Pettit by 25
votes. A mixed council was elected.
The Democrats got in their candi-
dates for representative and city
judge. Jo Anna Naylor, Independent Dem-
ocrat, beat Matt Ayers, Congress-
man Wheeler's right hand man, in
Fulton county by 700 majority.
This is one of the surprises of the
election. Miss Stone, the captive mission-
ary, has written a letter to Consul
Dickinson, at Constantinople. Up
to October 29 she was alive and
unmarried. Admiral Scobey's chief counsel,
Mr. Raynor, made a most effective
presentation of his client's case,
the oration moving the Admiral
to tears and the audience to ap-
plause. The arguments in the cele-
brated case were concluded yester-
day. The election figures show that
several hundred colored voters vot-
ed the Fusion ticket. In Hopkins-
ville probably 100 did so and at
Brent's Shop, Cäsky, Edwards-
Mill and in many other places
scores of them did the same thing.
Not all of the colored fusionists
stood in line, but many of them went
further than some of the stay-at-
home Democrats to do their full
duty.

IT IS OVER.

 The fight is over and the Repub-
lican candidates are the winners,
but by majorities so much reduced
that they ought to realize that their
rule is not popular in Christian
country. From 1,200 to 200 is quite
a drop and when this reduction is
taken in connection with the fact
that the election of the ticket from first to last has been the
most expensive game of politics
ever played by any ticket in the
country, they have but little to con-
gratulate themselves upon, except
the bare fact that they escaped
with their lives. THE KENTUCKIAN, as has been it-
won for nearly a quarter of a century,
gave the enemy the best oppor-
tunity it had in its shop. We tried
our level best to beat them and are
very sorry we failed and hope to meet
them at Phillipsburg in 1905. But say-
ing this much, we sign a protocol.

Catarrh Cannot Be Cured

 with LOCAL APPLICATIONS, as
they cannot reach the seat of the
disease. Catarrh is a blood or con-
stitutional disease and cannot be
cured by any local application, to
cure it you must take internal rem-
edies. Hall's Catarrh Cure is taken
internally, and acts directly on the
blood and mucous surfaces. Hall's
Cure is not a quack med-
icine. It was prepared by one of
the best physicians in this country
and is a regular prescription
of physicians, composed of the
best known, combined with
best blood purifiers, acting di-
rectly on the mucous surfaces. The
best combination of the two ingre-
dients in what produces such
wonderful results in curing Catarrh
as I have ever seen. R. J. CHEMNEY & CO.

Acid Joints

 The joints of the body that are
most liable to disease and that
affect the health of the body most
are the joints of the hands and feet
after which come the joints of the
shoulder and the hip. "It has been my good fortune to
have been without a joint disease, but
has been troubled with rheumatism
since he was born, and though a Surgeon
has been engaged to treat him, he
will enable him to take his place in the
field." Miss Ada Dore, Sidney, Ohio. Hood's Sarsaparilla
 and Pills Remove the cause of rheumatism—no
outward application can. Take them. and ground arms until hostilities
are resumed. We will go still fur-
ther and say that we are willing to
look upon the bright side of the ring
and hope for the best. Will T. Fowler, the new county
judge, is a bright, ambitious young
man, the architect of his own fortunes.
Even those who have fought
him hardest, respect his abilities
and admire him for his moral and
other good qualities. Otto Anderson, who is re-elected
county attorney, is a good lawyer
who applies himself industriously
to his official duties. Personally he
is a clever young fellow, who gets
along pleasantly even with his politi-
cal opponents. Mr. Jno. P. Prowse, who will
serve as county clerk for four years
more, is in his office courteous and
obliging. Personally he is a pleasant
gentleman and makes many friends
outside of his own party. We say this much, at the risk of
having Mr. Prowse produce it as an
endorsement when he makes his
next race four years hence. Len Davis, the new sheriff, is a
great big jolly good looking young
fellow who used to be a Democrat
and he was conceded from the start
to be one of the strongest men on
his ticket. Miss Katie McDaniel, who is re-
elected superintendent of schools, is
a most deserving little woman and
makes the county a good official.
She was not in the original "com-
bine," but was placed upon the
ticket to give it strength, and the wisdom
of the step was shown in the
returns. R. A. Cook, the new assessor, is
a young school teacher of excellent
qualifications, and let us hope will
make the county a good officer. John Boyd, the new jailer, as
sheriff made a brave and fearless
officer and as a jailer he will doubt-
less be attentive to his duties and
otherwise efficient. Mr. Jno. W. Armstrong, the sur-
veyor, is a farmer living north of
town and a good man. The sur-
veyor has but little to do in this
county. Jas. F. Rogers, who is re-elected
to the legislature, is the well known
ex-newspaper man. Owing to the
partisan feeling in the last legisla-
ture, he had no opportunity to de-
vote his attention to several impor-
tant question he has very correct
and decided views upon. This time
we may expect to hear from him
and outside of politics, he will be
surely on the right side of most
questions. Jas. Allensworth, the colored
coroner re-elected without opposition
in the county, they have but little to con-
gratulate themselves upon, except
the bare fact that they escaped
with their lives. THE KENTUCKIAN, as has been it-
won for nearly a quarter of a century,
gave the enemy the best oppor-
tunity it had in its shop. We tried
our level best to beat them and are
very sorry we failed and hope to meet
them at Phillipsburg in 1905. But say-
ing this much, we sign a protocol.

A Great Medicine.

 "I have used Chamberlain's Colic,
Cholera and Diarrhea Remedy
and find it to be great medicine." Mr. E. S. Phillips of Peoria, Ill.
 "It cured me of bloody flux,
I cannot speak too highly of it." This remedy always wins the good
opinion, if not praise, of those who
use it. The quick cures which it
effects even in the most severe
cases make it a favorite every-
where. For sale by all druggists. "I have used Chamberlain's Colic,

Dark Hair

"I have a boy, a fine Vigor, and a strong healthy boy, and all the hair on his head is gray half in my hair."

—Yellot, Town, Md.

We mean all that rich, dark color your hair has used to have. If it's gray now, no matter; for Ayer's Hair Vigor always restores color to gray hair.

Sometimes it makes the hair grow very heavy and long, and it stops falling of the hair, too.

ALMOST, BUT LOST.

Republicans Win by Very Narrow Margins.

The Fusion Candidates Gave Them a Thrash-Latch Finish.

The entire county ticket of the Republican party is again elected in Christian county by majorities ranging from 17 to 501, as against 1,209 for McKinley last year.

The fusionists polled a little more than the usual Democratic vote, put a total of 7000. The silent vote of about 900 was divided.

Some Democrats who did not vote were offset by the Republican fusionists who voted the Democrats.

The Fusion ticket with a few hundred more Democrats would have been elected, but the returns show that the absent voters were mostly Republicans. The city vote shows that probably 100 Republicans and nearly all of the gold Democrats voted the fusion ticket, making a change of 350 voters over last year's figures.

The Fusion ticket was elected at 2 o'clock, as the colored voters held back all over the county under the idea that both sides would be bidders for their votes, but finding the Fusion ticket was not making a boodle fight, they finally began to vote rapidly after asserting boldly that they would not vote without being paid for their votes. They tumbled over each other in their eagerness to get from the Ring

advertisers to the point at one precinct about fifty voters were in line when the polls closed, unable to get in. These late voters here and elsewhere saved the Ring ticket, some of them by very narrow margins.

David Smith led the Fusion ticket, receiving about 250 more votes than were cast for McKinley, and reducing the Republican majority 1,032 votes. Frank Rivers and Lucian Pool were not far behind him, while George Croft and Judge Wintree were closely bunched with the leaders.

The complete unofficial returns will be found in the accompanying table.

CLEAN SWEEP

Made in Louisvile by the Victorious Democrats.

Louisville, Ky., Nov. 6.—Returns from every precinct in Louisville show the majority of Grainger, D., for Mayor, to be 6,638. The Democrats made a clean sweep of all the offices in Louisville and Jefferson county.

Kentucky has given the old Democratic majority of from 30,000 to 40,000. Harmony and union, law and order, are triumphant, and the people have shown that they have determined to have perpetual Democratic rule in Kentucky.

The party strength in the Legislature is about as follows:

Senate, Democrats 25, Republicans 12, doubtful 1.

House, Democrats 71, Republicans 26, doubtful 3.

The Democratic majority on joint ballot will be 60 or more.

A NEW PARIS "MESSIAH."
Successful Cancer That Was Finally
Stopped by the Police.

Though he began life as a waiter in a Paris hotel, though five years ago he was only a working upholsterer, and though he cannot spell an easy sentence correctly, an individual calling himself the "new Messiah" has found the means to amass considerable wealth and live in a luxurious abode, says the London Mail.

The methods by which he accomplished this are interesting. He announced that he could cure all maladies, foretell the future and interpret dreams. He was no ordinary power, for by his magical gifts, his invocations and his spells he declared that he had in two hours cured a patient in the last stages of cancer. A certain section of the public believed the self-appointed Messiah, and \$16,000 is the sum he is said to have extorted from his gullible dupes.

His operations were carried on in the Cliveden quarter, where he lived in a flat, the staircase of which was covered with a magnificent carpet and lined with palms and other costly plants. Servants in livery received the callers, and at the door there was a constant stream of cars and carriages, putting down those who came to consult the magician.

In the sanctum of the "new Messiah" was a huge representation of the sacred heart of Jesus and a life-size portrait of Czar Alexander III., and in the corner of the room stood a ebony altar, on which while the seer performed his incantations, four domes held a metal image of the Virgin. A coffin figured in the magician's ceremonial.

The "new Messiah" says that he earned on his incantations between midnight and three a.m. when his patients, or rather his dupes, were in their first sleep, when condition was favorable to his influence. He admitted having received as much as \$400 at a time from his patients. Only is even said to have parted with \$400.

Unfortunately for this wonderful magician, the police got wind of his secretive calling, and he was arrested; and as these views as to what is proper to the role of the "new Messiah" are slightly different from those of the Cliveden charlatan, they are pursuing inquiries which may have some awkward results for the magician. The affair has created a great sensation in the quarter where he lives.

BUDDHA IN LONDON.

Official Propaganda Gaining a Firm Foothold in England.

Some day Buddhists may petition the authorities at South Kensington to hand over the huge black Buddha at their museum, so that they may form a London center for the missionaries who are now being dispatched all over the world. Already Buddha has a temple in Liverpool and has gained even to the point of thinking a permanent English center in the persons of the (as) of the London Buddhists.

The Japanese consul informed London, Express representatives that there were many temples in America besides the one at San Francisco and the new one at Sacramento. "Buddhism is spreading to a very great extent," he said. "Of course, its progress is slow—only 20 converts being added to the number during the last three years. It is plain that the mission means to stick to its work, and, having made a firm basis in America and got one foot into England, I do not see why in a year or two it should not further extend in Britain and other European countries besides. There is no reason why Buddha should not have his missions as well as other religions."

NEW PORTO RICAN SEAL.

Modelled After Old Spanish Coat-of-Arms. But Supplied with a New Motto.

Porto Rico has resolved to make its adoption as a colony of the United States by the adoption of a seal. To that end a committee of prominent individuals, including the governor and secretary of the island, who in turn appealed for advice and aid to Mr. Gaillard Hunt, the chief authority on the great seal of the United States, and author of the historical monograph on the subject. The old seal of Porto Rico, granted in the sixteenth century, presented three leading features: A rock in the ocean, the

lamb of St. John and desigmas of the Spanish flag and castle. The committee wished to retain as much as possible of the old seal, but it was compelled at last to let most of it go. The shape of the shield, however, was retained, and also the rock after being so remodeled as to copy, with some exaggeration, the contour of the island as it appears to the voyager before entering the harbor of San Juan. Behind the rock is shown the rising sun.

The choice of a crest, says Dr. Hunt, presented the most difficulty. No heraldic animal was suggested as having a peculiar local significance, except a griffin, which was rejected as being too fierce. The committee, however, insisted, though it had no heraldic training, that the heraldic point of view, it was disappointing in artistic effect. One of his grave, however, conceived a happy suggestion of his work and made a striking a figure when he tried that of a rock. He had a rock, he said, when it came to the matter, the committee decided that Spanish was not the best choice, since the old official language of the island was English and English, because it was such an unknown tongue to most of the people, was not likely to be understood in normal achievements. Later, it was chosen. Mr. Hunt entered into correspondence with several of the most eminent Latinists and general scholars in the country. Of the suggestions submitted by them the most popular was that of a star. It was thought the object that the star is with the recognition symbol of statehood, a condition to which Porto Rico has not attained. The French suggestion was also easily come to. "I am in Washington," he said, "and I am thinking of the stars."

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well-known village blacksmith at Gramblinsville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that he would die if not relieved. We have used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the cough symptoms appear, we have found that the terrible croup is cured before it gets settled." There is danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by all druggists.

IN THREE MONTHS

The Rural Delivery Routes Will be Established.

Postoffices at Beverly And Church Hill Will be Discontinued.

The two new rural delivery routes to Church Hill and Newstead will be established but not until Feb. 1, 1902. The post office at the Square on Route No. 1 will be discontinued at once and those at Beverly, Church Hill and Caledonia will be Feb. 1st.

The following letter to Congressman

Allen explains the matter:

Washington, D. C., Oct. 1901.

Hon. H. D. Allen, Morganfield, Ky.

Dear Sir:—I am in receipt of your two letters of the 26th inst., with regard to the proposed rural free delivery service from Hopkinsville, and have noted your statement that you concur in the discontinuance of the postoffices at the Square, Church Hill and Beverly, and recommend that these offices be abolished simultaneously with the inauguration of the proposed service from Hopkinsville.

In reply, I have the honor to inform you that, in view of our action in this matter, orders have this day been issued directing the establishment of rural free delivery service from February 1, 1902. This is the earliest date at which rural free delivery service is now being ordered into operation.

In this action may I ask that you use your influence with Representative Wheeler to have him recommend the discontinuance of the post office at Caledonia? The patrons of the Caledonia post office will receive a much better service by rural free delivery than that which they now enjoy; and there will be absolutely no need for the continuance of the office after the establishment of service from Hopkinsville.

Very respectfully, W. M. Johnson,
First Assistant Postmaster General.

Fifth Street Sewerage Ordinance.

It is ordained by the Board of Council of the city of Hopkinsville, Ky., 1st, that Polk Cansler is hereby granted permission to place a water main from his building on the north side of 6th street in such a manner as to have the water and sewerage from said building along North side of Main street and 5th street to Little River. Said sewer to be placed at the expense of said Cansler and under the direction of the City Engineer.

The city does not relinquish by this ordinance its right to remove this sewer at any time or to make any changes which it desires in the premises.

This ordinance to take effect from and after its adoption and publication.

DESIRABLE STOCK TAKEN.

Some Private Sales on Snuff Goods This Week

About all of the desirable stock of old tobacco has been taken, hence there is very little being done at this time. There were some private sales of snuff goods this week at prices ranging from \$5 to \$5.50. But little of the new crop has been moved as yet and until receipts show a marked increase sales will not be very large on the breaks. Although buyers are in the country we have heard of but few loose sales.

Many farmers have decided to prize their crop and try the old plan of selling on the breaks.

Receipts are very light.

Recent quotations fairly represent our market at present.

Can You Afford To?

Can you afford to experiment with unknown and untried brands of Fertilizers, when you can get right here what you know to be good? Soils are of great variety, what suits your farm may not be adapted to your neighbor's. Experimenting may mean the loss of a crop, as well as the amount invested in Fertilizers. Every farmer knows Armour and Homestead, Eagle and Ox Brand Fertilizers. They are no experiment. **It's Time to Put in Your Order Now** if you want it to come forward with shipments for early fall seeding.
